Darjeeling Summer – Black Tea, India FTGFOP

Delicateness and a gentle note of muscatel melt to perfection. Fine sweetness with an exciting and long-lasting finish is characteristic for this tea.

Superior Oolong – Oolong, China Summer

One of the most exquisite semi-fermented teas, of which only minute quantities are harvested each year. A fascinating tea with great richness of flavour and a fruit and nut character full of elegance.

Classic English Breakfast – Black Tea

Harmonious blend of black tea with deep aromatic notes. This broken graded tea is especially enjoyable with milk and sugar.

Golden Assam – Black Tea, India TGFOP

Exceptional leaf tea from Assam with an abundance of golden tips and a delicate note of cocoa, unveiling a malty sweetness once infused.

Smoked China – Black Tea, China/India FOP

The taste of this smoked tea is mild and harmonious accentuated with deep earthy hints from Assam and fine sweet notes from Yunnan.

Earl Grey – Flavoured Black Tea, India TGFOP

This popular tea shows the typical flowery richness of an autumnal Darjeeling enhanced with the refreshing citrus taste of bergamot.

Silver Pi Lo Chun – Green Tea, China

A highly delicate green tea that grows under fruit trees which pass their fragrance on to the tea leaves, lending them subtle fruity notes.

Morning Dew – Flavoured Green Tea

One of the most fascinating tea blends is based on a Japanese style Sencha composed with flower petals and the fruity fragrance of mango and lemon.

Refreshing Mint – Herbal Infusion

A hint of Lemon Grass gives the typical relaxing flavour of mint a special twist and adds extra freshness.

Fruity Camomile – Herbal Infusion

Traditional camomile known as wholesome and delicious meets the gentle sweetness of orange petals.

Chill out with Herbs – Wellness Infusion

Based on Rooibos and lemon balm this mild infusion relaxes with the wonderful taste of orange and cream.

Granny's Garden – Fruit Infusion

The taste of rhubarb rounded off with vanilla marries well with a blend of apple, hibiscus and rosehip to create a delicious fruity infusion.
